

BACK SPACING THE COLLECTION

CHIFLEY LIBRARY

- Backspacing of collections in the Chifley Library began on Wednesday 21 May and will continue until approximately 20 August.
- Backspacing of level 1 and level 3 collections is now complete.
- Level 4 will be closed to public access between 19 June and 4 August 2008 so that storm damaged flooring can be replaced. A book retrieval service is now in operation with books being retrieved every 2 hours while the Library is open. Requests may be submitted via an online form in the Library catalogue or by completing a printed form available at the Desks in the Chifley Library.
- A number of study carrells have been moved temporarily from level 4 to level 3.
- For information see: <http://anulib.anu.edu.au>
