# HathiTrust in Brief

---

## What is HathiTrust?

- A shared digital repository founded in October 2008. Very large scale, with dual focus on preservation and access. Since 2011, includes a research center for computational research
- Over 17 million volumes
- A membership community of 160+ research libraries

## Current focused programs & initiatives

- HathiTrust Research Center - text & data mining
- Copyright Review
- Shared Print - monographs, coordinated retention commitments
- US Federal Documents

# Your job to finalize the report

---

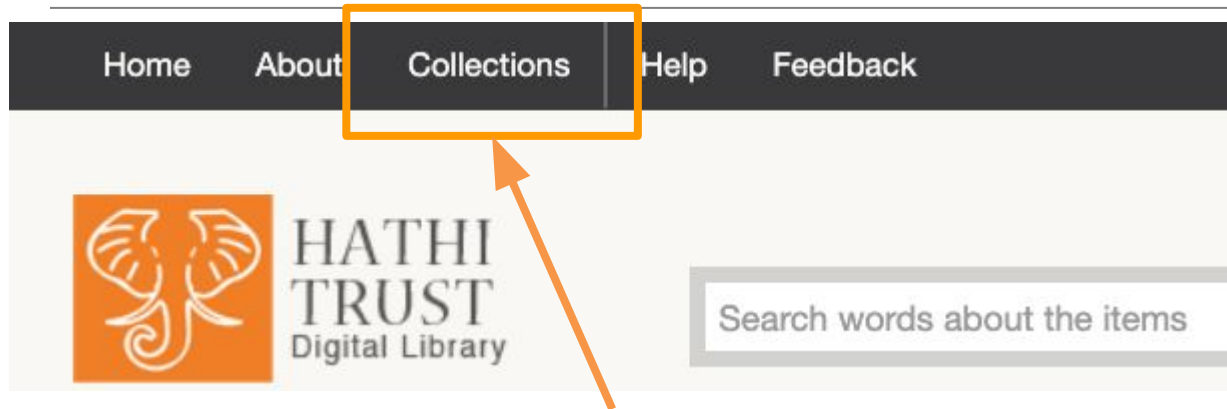

- Edit the list to remove false hits.
- Remove anything from the list if you do not have the rights.
- Sort out your publication rights by reviewing your contracts, contacting the authors, or else remove the items
- Final list of item IDs should only be things for which you represent that you have rights
