## January 2020

The ANU Library hopes everyone had a safe and happy end of year break and you are now refreshed to restart your projects in 2020.

**With the interrupted opening to 2020 please ensure you keep up-to-date with the openings and closures for all the ANU Campuses. The [ANU webpage](#) has the most current information.**

The ANU Library is constantly updating and adding to our online information. We now have a [guide dedicated to our Personal Librarian Service](#). You will be able to look back through past Newsletters, have quick links to training, and find the contact details of our Personal Librarian staff.
