

Migrate Saved Work and Keep-Me-Posted (KMP) Alerts into SciFinderⁿ

You can migrate your saved work, including KMP Alerts over to SciFinderⁿ at any time by using the MIGRATE Button found under SAVED in SciFinderⁿ.

First, log into SciFinderⁿ using your existing SciFinder User Name and Password. You can do this at <https://scifinder-n.cas.org>

Once in, go to the Saved Button at the top of the screen:

Once inside your Saved Results area, press the following button which is along the left hand side of the screen:

Migrate Saved Answers & Alerts (Keep Me Posted)

All your saved work from the old SciFinder will migrate over to SciFinderⁿ.

You can review your saved work at any time in SciFinderⁿ by pressing the Saved Button
