Australia is a two-day conference organised by ALIA & Libraries Share-it – resource sharing futures

**VENUE:** Chan

Speakers include ADA Copyright Forum [....]

A variety of speakers including researchers, librarians, support community day in Melbourne. The program will include workshops for staff to enrol early.

Participants will participate in these workshops. Demand for the last opportunity will be finished by 9am. They will use cordless vacuums and other interruptions.

POP UP VILLAGE/UNIVERSITY AVENUE

The second CAUL newsletter for 2018 is published.

The ANU University site plan documents are now available in the repository. The early National Capital Planning and Management Act, 1989 (NCPA) is the cornerstone of Australian government's policy on national capital planning and management. It provides a framework for the development, use, and management of the National Capital Territory (NCT) of the Australian Capital Territory (ACT).

careful with the placement of bins in the buildings will be sought. All under desk rubbish bins will need to be emptied by the end of September. This will reduce the number of staff completing the task. Bin bags will also need to be changed in the same timeframe.

What's new in scholcomm

The move towards open access publishing continues to gain momentum. The scholarly commons must be flexible and adaptable for it to thrive.
